Amusement Notes.

A fir-class variety bill will be given in Kernan's this week, concluding with the Euriceque "Pine-4" by the Grieves Opera Company. After the theatre performance a connect is given in the garden. The following is the east for "The Mascott" this week: Verona Jarbeau, Betting, Clars Lane, Fiametta, John Howson, Locenso, W. F. Prust, Pippo, Mr. Greans-ielder, Rocco, Mr. Urban, Prince Frederich, Mr. Bandlab, Doctor, Mr. Bryant, Matteo, The cast for the "Bohemian Giri" is: Arline, Lettins Fritch; Queca, Rose Leighton; Buda, Emma Krause, Thaddens, Chas, J. Campbell; Cound Arahem, W. Broderick; Devilshoof, Waiter Allen, Florestine, Edward Topey; Captain, Thomas Daley.

The Bijou Theatre has been closed for the season. It will undergo extensive improvements before it opens in the fall, when some very strong structions will appear.

Fred Solomon, who has become a tavorlie here, has left for New York, where he will appear at the Casino. He will shortly return to the city and appear in the Fitz Gerald company at the National.

The statement made in this column a few days ago that the "Bohemian Giri" was first played here under the title of "The Orance Giri" was, of course, an absurd sip. "Neil Gwynne" was the opera in mind, and a very pratty little opers it is. It will be the opera next presented at Albaugh's.

Waiter Allen succeeds Fred Solomon as stage manager at Albaugh'a. A better choice could not be made.

A Multitude of Aliments.

A Multitude of Allments.

The allments which afflict the kidneys and bladder are so numerous, that merely to name them would ill a space for outrunning the limits of this article. Suffice it to say, that they are both obstirate and dangerous. To their prevention Heatester's Stomach Bitters is well adapted. The stimulus which it lends to the action of the kidneys when they are letharpte, serve to counteract a tendency in them to lapse, first, into state of perulcious inactivity, and afterwards into one of positive organic disease, which soon destroys their delicate integuments, poisous the blood and causes death. A double purpose is served by this depurent. It promotes activity of the kidneys, and expels impurities from the blood which have no natural channel of outlet, except those organs. Constipation, billousness, fever and ague, riscumstiam and dyspelsia, are also remedied by this medicine of thorough action and wide scope. he limits of this article. Suffice it to say,

LONG AGO

We Solved the Problem of Style and Fit in First-class Ready-made

CLOTHING!

We have spent years in trying to see how good goods we could make, and there is no material made in this or any other country that is too good for us to handle. Quantities tell, they enable us to make low prices.

Boys' Clothing full up, too. Not a desirable quality style lacking. Mothers know how we carry ft of our Clothing into shapes for the boys, as we do into men's.
